

VERMONT EXPEDITION SOCIETY

Mission Statement: The Vermont Expedition Society is a collection of devoted wheelers of all backgrounds, personalities and vehicle makes and models. We gather to enjoy responsible four-wheeling, the environment, good food and drink and, especially, each other. Our events range from our multi-day Trans-Vermont Expedition to our annual intra-club rock-crawling competition at Camp VTXS in Barnard, Vermont.

All prospective applicants for membership in VTXS are required to be sponsored by an existing member in good standing
